A Beyond Zero Future
for South East NSW

About climate action in South East NSW

Special Guest
Doctor John Hewson
ANU School of Economics

www.zerose.space

We are **ZeroSE**, a Citizen's Alliance dedicated to reducing carbon emissions below zero in south east NSW. We use evidence-based research to show how to reach our emissions target and create local jobs and a healthy environment for the future. We are lobbying for policy change and individual, local and community action to accelerate our transition to a low carbon economy. We've developed resources that match current scientific research to our local areas and we'll introduce them to you.

ZeroSE LAUNCH

Time: Sep 21, 2021 5:30 PM Sharp (Zoom room open from 5:15 PM) AEST

Join Zoom Meeting Meeting ID: 811 0449 8073
